## Robbie Williams, Do Nothin' Til You Hear From M

Do nothing till you hear from me Pay no attention to what's said Why people tear the seam of anyone's dream Is over my head

Do nothing till you hear from me At least consider our romance If you should take the words of others you've heard I haven't a chance

True, I've been seen with someone new That doesn't mean I've been untrue? While we're apart, all the words in my heart Reveal how I feel about you

Some kiss may cloud my memory And other arms may hold a thrill But please do nothing till you hear it from me And you never will

True, I've been seen with someone new That don't mean I've been untrue? While we're apart, the words in my heart Reveal how I feel about you

Some kiss may cloud my memory And other arms may hold a thrill But please do nothing till you hear it from me Please do nothing till you hear it from me Please do nothing till you hear it from me Baby you never will

That's the truth I'm a liar And don't tell your mama
