Robbie Williams, Feel

Come and hold my hand I wanna contact the living Not sure I understand This role I've been given I sit and talk to God And he just laughs at my plans My head speaks a language I don't understand

I just wanna feel Real love feel the home that I live in Cos I got too much life Running through my veins Going to waste I don't wanna die But I ain't keen on living either Before I fall in love I'm preparing to leave her

Scare myself to death That's why I keep on running Before I've arrived I can see myself coming I just wanna feel Real love feel the home that I live in Cos I got too much life Running through my veins Going to waste And I need to feel Real love and the love ever after I can not get enough

I just wanna feel Real love feel the home that I live in I got too much love Running through my veins To go to waste

I just wanna feel Real love and the love ever after There's a hole in my soul You can see it in my face It's a real big place

Come and hold my hand I wanna contact the living Not sure I understand This role I've been given Not sure I understand Not sure I understand Not sure I understand Not sure I understand
