

# Robbie Williams, Hello. Did You Miss Me?

I know I'm hard to resist  
Y'all can come and help me pick the sweetcorn out of this.  
It's hard to be humble  
When you're so f\*\*king big  
Did you ever meet a sexier male chauvinist pig

I'm gonna milk it till I turn it into cheese  
Tell your babes in arms and OAP's  
Come take a piece of me

If you drop me I'll fall to pieces on ya  
If you don't see me I don't exist  
It's nice to meet you  
Now let me go and wash my hands  
Cause you just met the world's most handsome man  
The world's most handsome man

Y'all know who I am  
I'm still the boy next door  
That's if you're Lord Litchfield and Roger Moore  
Have I gone up in the world  
Or has the world gone down on me  
I'm the one who put the Brits in celebrity

Give in and love it  
What's the point in hating me  
You can't argue with popularity  
Well you could  
But you'd be wrong

If you drop me I'll fall to pieces on you  
If you don't need me I don't exist  
You voted for me  
Now let me see a show of hands  
Here before you stands

Can you make me laugh and sign this autograph  
Though it's not for me  
Grip a grin, shake a fake, name a shame  
Then I'm out of here  
It's not very complicated  
I'm just young and overrated whoa

Please don't drop me I'll fall to pieces on ya  
If you don't see me I don't exist  
It's nice to meet you  
Now let me go and wash my hands  
Here before you stands  
Please don't drop me I'll fall to pieces on you  
If you don't need me I don't exist  
It's nice to meet you  
Now let me see a show of hands  
Cause you just met the world's most handsome man  
The world's most handsome man  
The world's most handsome man  
The world's most handsome man
