

# Robbie Williams, Please Don't Die

Let me lie down  
Please don't wake me  
Nothings sacred  
And no-one save me

In my black eye  
I can feel it  
Moving  
Closer  
Cant you hear it

The only gift you gave to me  
Was self-fulfilling prophecy  
I need to change the sounds  
That shape my life

And if you die before i leave  
What on earth becomes of me  
Look around theres no-one here  
To love me and hold me

Take me  
Dancing  
I love music  
Keep on  
Singing  
We wont loose it

Picture  
Me here  
Missing no-one  
If your hearts run free  
Why can't we go on

Go on to till they kick us out  
We've everything to talk about  
I could bring a song into your life

If you should die before i leave  
What on earth becomes of me  
Look around theres no-one here  
To love me and hold me

Maybe I've been away too long  
I know I'm not always right but is that wrong  
They say there's nothing I can do  
But talk to strangers and wait for you

If you should die before i leave  
What on earth becomes of me  
Look around theres no-one here  
To love me and hold me

And if you die before i leave  
What on earth becomes of me  
Look around theres no-one here  
To love me and hold me  
Ooh ooh ooh!
