

# Robbie Williams, Rome Munich Rome

Rome Munich Rome  
All the women and the money I've blown  
Rome Munich Rome  
There's still a shitload of seeds to be sown  
And I've been stunned  
I plan to have it all while I'm still young  
And I know you're low  
We'll be alright tomorrow

You know it's not enough  
To kiss you in my sleep  
A dream is not like love  
So give me something I can keep

Rome Munich Rome  
So many people, so alone  
Rome Munich Rome  
Pack your bags, take me home  
In time you'll see  
How much I mean to you and you to me  
And I know you're low  
We'll be alright tomorrow

You know it's not enough  
To kiss you in my sleep  
A dream is not like love  
So give me something I can keep

Rome Munich Rome  
Rome Munich Rome

Rome Munich Rome  
All the women and the money I've blown  
Rome Munich Rome  
There's still a shitload of seeds to be sown  
And I've been stunned

You know it's not enough  
To kiss you in my sleep  
A dream is not like love  
So give me something I can keep

[Background: You know it's not enough...]

To kiss you in my sleep  
So give me something, give me something, give me something, give me something, give me some  
I can keep
