

Robert Cray, I Didn't Know

I didn't trust nobody
I didn't trust my feelings
You said a lot of nice things
I didn't catch the meanings

I didn't know that you
Thought
So much of me
I didn't know
I didn't know

Must of had a chip on my shoulder
I was kind of hard to get close to
You started out on me slowly
Yes, you did
Something you were'nt quite used to

I didn't know why you
Were
So good to me
I didn't know
I didn't know

I plead ignorance, baby!
Ohhh!
Hey!
I didn't know, I didn't know

Said I'd call you on Sunday
We could go out for dinner
Forgot to make reservations
Mmmm
I never said I was sorry

I didn't know that you
Meant
So much to me
I didn't know
I didn't know

Hey! I plead ignorance!
Ignorance, baby!
I didn't know
I didn't know
I didn't know

(Neat little break)

(Screaming)

I plead ignorance
I know
Kind of hard to get close to
Yes, I was
Had a chip on my shoulder
Didn't know you meant so much to me, girl
I didn't know you were the one for me, girl
I didn't know, I didn't know, I didn't know, I didn't know, I didn't know, I didn't know, no, no

Mmmm, mmmmm, hmmm

I didn't trust anybody
No, no
I didn't know

I didn't know

Never did trust nobody
I didn't know, I didn't know, I didn't know

Must of had a chip on my shoulder
Never did trust my feelings

No, no, no
Didn't know, didn't know, didn't know, I didn't know
