Robert Grenier, You Turn Me On

Girl you know
You got the flow
You got just what I need
You're the only one I want
Only you can set me free
Sexy one when we are done
I will take your hand
You and I
Will touch the sky
Never gonna land
Girl you turn me on

I was just a lonely man
Trying to live out my days
But ever since I met you girl
I just love all your ways
You are my little angel
You are my sunshine
And everytime you come around my love
Things will be just fine

(chorus)

I love the way you smile
I love the way you move
You ask me if I'm gonna stay awhile
Oh I will be true
