

Robert M, Don't Let Me Down (feat. Ada & D'Madd)

Don't Let me down
Don't
Don't Let
Don't

been in other ..
but you gave me ...
you're not a party ..
but ,....
I smoke a little bit
no one ...
causa I've been sip and go
I waiting for you
I waiting for you

cos I am addicted to you like drag
and your love make me wait for your love
I don't mind baby
you know I want you
it's 2 am and you not here
and I am feeling lonely, I am

Don't Let, boy
Don't Let
Don't Let
Don't Let

I see..
I am coming out
I've been away
just for your touch
coz your love is like magic
I mean it up
I've been sip and go
I waiting for you
I waiting for you

cos I am addicted to you like drag
and your love make me wait for your love
I don't mind baby
you know I want you
it's 2 am and you not here
and I am feeling lonely, I am

I said daddy
she love daddy
every time i put it dawn
she call me daddy
she ain't bitch
cos a little rancid
I take her back to the hood
for find a little
you don't lie no more
so you don't cry no more
there was time when I ...
I'll never let you down

Don't Let me down, boy
Don't Let
Don't Let
Don't Let
