

Robert M, That Body (ft. Jan Borysewicz)

Is there hard to see
Coz I got you
Follow me
All night
We'll be dancing in the spotlight

Sexi
You the?
Take me higher tonight
You're the sense of everything
That's tight

Talk around
Take with me

You've got that body, babe
I want that body, babe
Give me your body tonight

Now, I
I can't feel that you're a piece of me
?
And let

Talk around
Take with me

You've got that body, babe
I want that body, babe
Give me your body tonight
