

# Robert Plant, 8:05

Eight oh five, I guess you're leaving soon  
I can't go on, without you it's useless to try  
Oh to love you, was so good  
To keep you would be so wonderful  
Here is my heart That I give, it's all that I have  
Please change your mind Before my sunshine is gone  
Do you think you could try  
Do you think you could try Do you think you could try  
Oh, understand how I feel Until I can prove that it's real  
Fill my world with rain  
You know your tears, would only bring rain  
My heart, oh, eight-oh-five  
I guess your leaving, good-bye.
