

# Robert Plant, RAINBOW

I found a lucky charm  
I dressed it up with love  
I crossed the seven seas to you  
Will it be enough?  
And I will be a rainbow  
Oh, while your storm is gone  
And I will bring the song for you  
And I will carry on

I'm reachin' for the stars  
In the sky above  
Oh, I will bring their beauty home  
The colors of my love  
And I will be a rainbow  
Now your storm is gone  
And I will bring my song to you  
And I will carry on

Love is enough  
Though the world be a wind  
Words have no voice, but the voice of complaint  
My hands shall not tremble, my feet shall not falter  
The voyage shall not weary, the fish shall not alter  
Hmm, it's rainbow, oh it's rainbow  
Oh, can't you see the eyes are the eyes of a lover

Pocket full of hearts  
A world that's filled with love  
A love that carries all before  
The passion and the flood  
I lie beneath the rainbow

Now your tears have gone  
And I will sing my song for you  
And I will carry on
