

# Robin Thicke, Brand New Jones

Some like to keep heat on  
Some never hot enough  
See I sleep with nothing on  
'cause I'm always burnin up  
But we all wanna try  
To see each other's side  
And I'll try  
Til she takes my pillow

mmm  
She'll say I'm lucky  
She'll say I'm the man  
We'll talk on for hours  
As long as I understand  
I'd go on without her  
see see  
but everyday  
ain't the same  
ain't the same  
ain't the same  
I feel like a puppy  
when I get time to play

I've got a brand new jones  
And nobody even knows  
When my baby is gone  
It's my thang, my thang  
Sometimes I can't let go  
So I've got to be alone  
When my baby is gone  
It's my thang, my thang alone

Some like a sweet romance  
and some wanna travel far  
but I like a three point stance  
and I hate to drive my car  
But I'd go round the world  
Just to please my girl  
and I'll fly  
if she takes my pillow

Ooh  
She'll say I'm lucky  
Then say I'm the man  
We'll talk on for hours  
As long as I understand  
I'd go on without her  
but everyday  
I feel like a puppy  
when I get time to play

I've got a brand new jones  
And nobody even knows

When my baby is gone  
It's my thang, yeah, my thang  
Sometimes I can't let go  
So I've got to be alone  
When my baby is gone  
It's my thang my thang alone

So why don't I just  
save time and reveal now

'cause sooner or later she'll  
know the deal  
She'll wonder why  
the bed jumps so high  
when she sleeps at night  
oh yeah yeah

oooh  
Tells me I'm lucky  
Then say I'm the man  
We'll talk on for hours  
As long as I understand  
I'd go on without it  
see see  
but everyday  
I.. no...  
ain't the same  
ain't the same  
I feel like a puppy  
When I get time to play

I've got a brand new jones  
And nobody even knows  
When my baby is gone  
It's my thang, my thang  
Sometimes I can't let go  
So I've got to be alone  
When my baby is gone  
It's my thang my thang alone

I've got this brand new jones  
Leave me on my own  
Love love baby  
you know it

I've got this brand new jones  
Leave me on my own  
Love love baby  
you know it

I've got this brand new jones  
Leave me on my own  
Love love baby  
you know it
