

# Robin Thicke, Stupid Things

Just charge it to my account  
I hope I haven't gone over my limit  
With interest rates so swift  
No need to scream and shout  
No doubt if women are from Venus now  
I'll get to them somehow

All I want to do is please you  
Please myself by living my life too

And all the stupid things I do  
Have absolutely no reflection on How I feel about you  
How I feel about  
All the stupid things I do have absolutely no reflection on  
How I feel about you  
How I feel about you yeah

Oh yes I recall  
Skipping on breakfast to play basketball  
Then feeling two feet small

Sometimes you read like William Shakes  
Your scent is sweet like Betty Crocker bakes  
I'd love to have your cake and eat it to

All I want to do is please you  
Please myself by living my life too

And all the stupid things I do  
Have absolutely no reflection on How I feel about you  
How I feel about  
All the stupid things I do have absolutely no reflection on  
How I feel about you  
How I feel about you yeah

And all the stupid things I do  
Have absolutely no reflection on How I feel about you  
How I feel about  
Oh how I feel about you  
How I feel about you yeah
