

# Robin Thicke, Teach U A Lesson

You feel so good  
You smell so good  
You feel so warm  
Just like I knew you would  
I can't let you go  
I can't let you go  
I can't let you go

You were late to school  
I'm gonna have to see you after class  
You've been a bad girl  
Someone's gonna have to teach you a lesson  
You've been a bad girl  
Someone's gonna have to straighten you right out  
You've been a bad girl  
Someone's gonna have to teach you  
Teach you, teach you, teach you

You can call me 'Professor'  
But baby you broke the rules  
You won't get the grade you want  
Unless you stay after school  
You can work it off  
Baby I can give you extra credit  
But there's something else  
You were late to school  
Teach you, teach you, teach you  
Girl, can I frisk you?  
Search your body for  
You look so guilty to me  
If I make you nervous  
It's 'cause you're hiding WMDs  
And I'm gonna sentence you  
Baby you can do your time on me  
I can't let you go  
I can't let you go

You were late to school  
I'm gonna have to see you after class  
You've been a bad girl  
Someone's gonna have to teach you a lesson  
You've been a bad girl  
Someone's gonna have to straighten you right out  
You've been a bad girl

Just for the moment,  
For tonight  
Can I make you mine?  
Is it me, is it mine?  
Can I love you all my life?
