

# Robyn, Ever Again

come on, let's have it out  
go ahead and try a little crazy on me  
you don't have to worry  
about the pulling and pushing away  
we never used to get it right  
so baby, you're right for getting startled  
but that's not how it's gonna be  
that shit's out the door  
that shit's out the door

never gonna be brokenhearted  
ever again  
I am only gonna sing about love  
ever again  
never gonna let it happen  
then it won't be for all or nothing  
I swear I am never gonna ne  
brokenhearted  
ever again

come on, let's have it out  
I jutw want you to be able to be yourself  
there's nothing to worry about  
how about we stop arguing and do something else  
so many things we haven't tired  
baby, you know we're just getting started  
daddy issues and silly games  
this shit got so lame  
this shit got so lame

never gonna be brokenhearted  
ever again  
I am only gonna sing about love  
ever again  
never gonna let it happen  
then it won't be for all or nothing  
I swear I am never gonna ne  
brokenhearted  
ever again
