

Rock 'N' Roll Worship Circus, Everybody Awake

I can't wait to see with my eyes
Jesus crackin' the skies
Reveals the Father of Creation
A Groom comin' for His bride

Oh what a beautiful thing
When us and the angels sing
Glory honor and power
To our risen King

Everybody awake
Everybody awake
Our King has come to take His bride away
Everybody awake

Everybody awake
Everybody awake
Our King has come to take His bride away
Everybody awake
