

Rocket From The Crypt, Ball Lightning

Oh, here comes Lorna
And I know he's thinking
He don't care what I say

He's got arms and
He's got fingers
He can't hold a dead pig

It's all fine while you're cryin'
You want some cheese with your whine (2x)
Hey, yeah (doo, doo...) Way, yeah (doo, doo...) (2x)

(He's not the one) He's ball lightning (3x)

(Shut down, sucker says) He don't get that far
(Shut down, sucker says) Nothing helps at all
(Shut down, sucker say) Answer his call
Maybe one day make him sorry.

It's all fine while you're cryin'
You want some cheese with your whine? (2x)
Hey, yeah (doo, doo...) Way, yeah (doo, doo...) (2x)

(Oh! Yeah!)

(He's not the one) He's ball lightning (5x)

Shut down, sucker says
Sucker's gotta pay me

It's all fine while you're cryin'
Want some cheese with your whine? (4x)
Hey, yeah (doo, doo...) Way, yeah (doo, doo...) (4x)
