Rod Stewart, All For Love

(Bryan Adams, Robert John " Mutt" Lange, Michael Kamen)

When it's love you give
I'll be your man of good faith
When it's love you live
I'll make a stand I won't break
I'll be the rock you can lean on
Be there when you're old
To have and to hold

When there's love inside I swear I'll alway's be strong And there's a reason why I'll prove to you we belong I'll be the wall that protects you from the wind and the rain from the hurt and the pain

Let's make it all for one and all for love Let the one you hold be the one you want the one you need Cause when it's all for one it's one for all When there's someone that you know then just let your feelings show and make it all for one and all for love

When it's love you make
I'll be the fire in your night
Then it's love you take
I will defend I will fight
I'll be there when you need me
When honor's at stake
This vow I will make
That it's all for one and all for love
Let the one you hold be the one you want
the one you need
Cause when it's all for one it's one for all
When there's someone that you know
then just let your feelings show
and make it all for one and all for love

Don't lay our love to rest cause we could stand up to the test We got everything and more than we had planned More than the rivers that run inland We got it all in our hands

Now it's all for one and all for love Let the one you hold be the one you want the one you need Cause when it's all for one it's one for all When there's someone that you know then just let your feelings show When there's someone that you want When there's someone that you need Let's make it all all for one and all for love
