It was early one morning, I was on my way to school Early one morning, I was on my way to school Got lost on monday morning, I broke my teachers rule

I was in love with you, baby, before I learned to call your name I was in love with you, baby, before I learned to call your name Now you're in love with someone else You're bound to drive poor me insane

Oh, yeah ()

I said bye, bye bye, baby, bye bye I said bye, bye bye, baby, bye, bye ... ha ha
I said bye, bye bye, baby, bye, bye ... bring it down here
I said bye, bye bye, baby, bye, bye ... bye, bye bye, baby, bye, bye ...
I said bye, bye bye, baby, bye, bye ...
