

# Rod Stewart, Hotel Chambermaid

When the lights are low you know I'm gonna go to my Hotel Chambermaid  
I'm gonna jump the garden and come on hard all night  
While the river's flowing outside my window gonna see her, gonna get love,  
gonna shut the bad boy out tonight.  
And when the world dead and I'm gonna make my bed with my Hotel Chambermaid  
She will bring me coffee in the morning with a smile  
She don't ask me where I come from I just crepted in then I be gone gonna  
shut the bell boy out tonight  
Ain't got a million dollars  
No one I can command  
What I wish ya could of me someway  
Aint got no future at least thats what they say  
But this girl is gonna take all night ease them blues away
