(willie broonzy)

All right, it's your turn to give something back so let's hear a couple of chords. now where are ya ?  
I got a letter, it come to me by mail  
My baby's a-comin' home, I hope that she won't fail  
Because I feel so good, I feel so good  
You know I feel so good, feel like ballin' the jack

I drove into town to that old station, just to meet her old train  
My baby said she's a-comin' home I hope that she won't fail  
Because I feel so good, I feel so good  
You know I feel so good, feel like ballin' the jack

Feel so good, I hope I always will  
Feel just like I just got out of jail  
Wherever I'm ...  
Because I feel so good, I feel so good.  
You know I feel so good, feel like ballin' the jack

All right, I can see you. let's have you. are you with me up there?  
Are you with me? are you with me?  
Feel so good, feel so good.
