

# Rod Stewart, It Takes Two

(Sylvia Moy, William Stevenson)

One can have a dream baby  
Two can make a dream so real  
One can talk about being in love  
Two can see how it really feels

One can wish upon a star  
Two can make a wish come true  
One can stand alone in the dark  
Two can make a light shine through

It takes two baby  
It takes two baby  
Just me and you  
You know it takes two

One can have a broken heart living in misery  
Two can really ease the pain like a perfect remedy  
One can be alone in a bar like an island he's all alone  
Two can make just any place seem just like bein' at home

It takes two baby  
It takes two baby  
Just me and you  
You know it takes two  
It takes two baby  
It takes two baby  
just me and you  
You know it takes two

It takes two baby  
It takes two baby  
Just me and you  
You know it takes two

One can go out to a movie looking for a special treat  
Two can make that single movie something really kind of neat  
And one can take a walk in the moonlight thinking that it's really nice  
But two lovers walking hand in hand is like adding just a pinch of spice

It takes two baby  
It takes two baby  
Just me and you  
You know it takes two  
It takes two baby  
It takes two baby  
Just me and you  
You know it takes two

It takes two baby  
It takes two baby  
Just me and you  
You know it takes two
