Rod Stewart, Jailhouse Rock

(leiber, stoller)

The warden threw a party in the county jail
The prison band was there, and they began to wail
The band began to-jumping, they began to swing
You should have heard the knock down jailbird sing
Let's rock, everybody let's rock
Oh everybody in the whole cell block
Was dancing to the jailhouse rock

Number forty-seven said to number three You're the cutest jailbird I ever did see I sure would be delighted with your company So come and do the jailhouse rock with me Let's rock, everybody let's rock Oh everybody in the whole cell block Was dancing to the jailhouse rock, yeah!

Spider murphy played on the tenor saxophone Little joe was blowin' on a slide trombone Drummer boy from illinois was crash-a-bam boomin' The whole rhythm section was the purple gang

Let's rock, everybody let's rock Everybody in the whole cell block Was dancing to the jailhouse rock

Listen

Dancing to the jailhouse rock
Everybody in the whole cell block
Was dancing to the jailhouse rock, yeah!

Everybody in the whole cell block Dancing to the jailhouse rock

C'mon

Dancing to the jailhouse rock
Everybody in the whole cell block
Was dancing to the jailhouse ...
