Rod Stewart, Missing You

Missing You [Originally by John Waite]

Missing you...

Every time I think of you, I always catch my breath And I'm still standing here, and you're miles away And I'm wonderin' why you left And there's a storm that's raging through my frozen heart Tonight

I hear your name in certain circles, and it always makes me smile I spend my time thinkin' about you, and it's almost driving me wild And there's a heart that's breaking down this long distance line tonight

I ain't missing you at all since you've been gone away I ain't missing you, no matter what I might say

There's a message in the wire, and I'm sending you this signal tonight You don't know how desperate I've become And it looks like I'm losing this fight In your world I have no meaning, though I'm trying hard to understand And it's my heart that's breaking down this long distance line tonight

I ain't missing you at all Since you've been gone away I ain't missing you, No matter what my friend's missing

And there's a message that I'm sending out, Like a telegraph to your soul And if I can't bridge this distance, Stop this heartbreak Overload

I ain't missing you, I ain't missing you, I can lie to Myself

And there's a storm That's raging through my frozen heart tonight

I ain't missing you at all Since you've been gone away I ain't missing you, No matter what my friend's missing

I ain't missing you I ain't missing you I can't lie to myself I ain't missing you I ain't missing you I ain't missing you I ain't missing you I'm lying to myself Oh yes I ain't missing you Missing you...
