

Rod Stewart, My Heart Can't Tell Me No

I dont want you
To come round here no more
I beg you for mercy
You dont know how strong
My weakness is
Or how much it hurts me
Cause when you said it over with him
I want to believe its true
So I let you in knowing tomorrow
Im gonna wake up missing you
Wake up missing you
When the one you loves
In love with someone else
Dont you know its torture
I mean its a living hell
No matter how I try to convince myself
This time I wont lose control
One look in your blue eyes
And suddenly my heart cant tell you no
I dont want you
To call me up no more
Saying you need me
Youre crazy if you think
Just half your love
Could ever please me
Still I want to hold you, touch you
When you look at me that way
Theres only one solution I know
You gotta stay away from me
Stay away from me
When the one you loves
In love with someone else
Dont you know its torture
I mean its a living hell
No matter how I try to convince myself
This time I wont lose control
One look in your sad eyes
And suddenly my heart cant tell you no
My heart cant tell you no
I dont want you
To come round here no more
I beg you for mercy
You dont know how strong
My weakness is
Or how much it hurts me
Cause when you say its over with him
I want to believe its true
So I let you in knowing tomorrow
Im gonna wake up missing you
Wake up missing you
When the one you loves
In love with someone else
Dont you know its torture
I mean its a living hell, a living hell
When the one you loves
In love with someone else
Dont you know its torture
I mean its a living hell, a living hell
