

# Rod Stewart, My Heart Can't Tell You No

I don't want you to come round here no more  
I beg you for mercy  
You don't know how strong my weakness is  
or how much it hurts me  
Cause when you say it's over with him  
I want to believe it's true  
So I let you in knowing tomorrow  
I'm gonna wake up missing you  
wake up missing you

When the one you love is in love with someone else  
Don't you know it's torture  
I mean it's a living hell  
No matter how I try to convince myself  
this time I won't lose control,  
but one look in your blue eyes and suddenly  
my heart can't tell you no

I don't want you to call me up no more  
saying you need me  
you're crazy if you think just half your love  
could ever please me  
still I want to hold you, touch you  
when you look at me that way  
There's only one solution, I know it  
you gotta stay away from me  
stay away from me

When the one you love is in love with someone else  
Don't you know it's torture  
I mean it's a living hell  
No matter how I try to convince myself  
this time I won't lose control  
one look in your sad eyes  
and suddenly my heart can't tell you no  
my heart can't tell you no

I don't want you to come round here no more  
I beg you for mercy  
you don't know how strong my weakness is  
or how much it hurts me  
cause when you say its over with him  
I want to believe its true  
So I let you in knowing tommorrow  
I'm gonna wake up missing you  
wake up missing you

When the one you love is in love with someone else  
Don't you know it's torture  
I mean it's a living hell

When the one you love is in love with someone else  
Don't you know it's torture  
I mean it's a living hell  
Living hell...
