

Rod Stewart, Please

Look at us
Staying hear
Staring into the space
Wandering why we say
If we talk about trust
Look into my eyes
I ain't that kind

It's cold outside
I can,
Roses are frozen
And I began you...
Home

Stay with me tonight
...
Stay with me tonight
Leave all that trouble behind
Please!

.. over hill
Let's keep each other warm
Shelter ... storm
Come closer to me
Let's kill a little time
Tell me what's on your mind

Coz it's beautiful evening
And I don't want to ..
Coz your mouth are so warm
And I warn more than I

Stay with me tonight
I promise, I will treat you right
Stay with me tonight
Another...
Please

When sun comes up
I'll be holdings cross on my chest
I gonna love you sun more
...
Yea, I will

Stay with me tonight
Tell your friends You'll by just fine
Stay with me tonight
I made just be ...
Stay with me tonight
I set my soul on fire
Stay with me tonight
I need you by my side
Please!
Please!
Please!
Please!
