

Rod Stewart, Red-Suited Super Man

Oh, yeah!

Listen!

The tree is ready and the stockings are all hung

The fire is blazing and the carols are all sung

Everybody's waiting for a miracle, so

Santa bring some joy to us all

It's the season to leave our troubles behind

How amazing if the world was giving and kind

It might be crazy, It might take a miracle

Santa bring some peace to us all

If anyone can do it, it's Santa who can

He's red suited super superman

He knows everybody, 'got a list with all our names

And he rocks the whole world in that old fashioned sleigh

Come over here baby, let's watch the snow fall

Check out the North star, didn't it start it all?

It's still shinin', that's a miracle

So Santa bring some hope to us all

He's a red suited super superman

And he rocks the whole world in that old fashioned sleigh

I look around me, what else could I need?

All my friends and family, so I gotta believe

Life is a blessing for every boy and girl

So Santa bring some love to us all

I said Santa bring some love to us all

I mean Santa!, I said Santa!

Bring some love to us all

Oooh bring us, bring us

Just a little peace and love on this Earth

Santa, Santa, I believe in Santa

Oh yes I do, oh yes I do
