Rod Stewart, Seems Like A Long Time

(T. Anderson)

Nighttime is only the other side of daytime but if you've ever waited for the sun you know what it's like to wish daytime would come And don't it seem like a long time seem like a long time, seem like a long, long time

Hard times are only the other side of good times but if you ever wished hard times were gone you know what it's like to wish good times would come And don't it seem like a long time seem like a long time, seem like a long, long time

Help me, seems like a long time seems like a long time, seems like a long, long time

And don't it seem like a long time seem like a long time, seem like a long, long time And don't it seem like a long time seem like a long time, seem like a long, long time And don't it seems like a long time seems like a long time, seems like a long, long time

You know it makes me sad seems like a long time, seems like a long time seems like a long, long time

War time is only the other side of peace time but if you've ever seen how wars are won you know what it's like to wish peace time would come And don't it seem like a long time seem like a long time, seems like a long, long time
