## Rod Stewart, Street Fighting Man

(Mick Jagger / Keith Richards)

Everywhere I hear the sound of marching, charging feet boy 'Cause the summer's here and the time is right for fighting in the street boy

Hey think the time is right for a palace revolution Where I live the game to play is just to compromise my solution

What can a poor boy do except to sing for a rock 'n' roll band 'Cause you see bein' London town there's just no other place for a street fighting man

Hey did I tell you that my name was called disturbance And I'll shout and scream and I'll kill the king and I'll rail at all his servants

What can a poor boy do except to sing for a rock 'n' roll band 'Cause you see bein' London town there's just no place for a street fighting man

Everywhere I hear the sound of marching, charging feet boy 'Cause the summer's here and the time is right for fighting in the street boy
