

# Rod Stewart, They Can't Take That Away From Me

The way you wear your hat  
The way you sip your tea  
The memory of all that  
No no they can't take that away from me

The way your smile just beams  
The way you sing off key  
The way you haunt my dreams  
No no they can't take that away from me

We may never never meet again, on that bumpy road to love  
Still I'll always, always keep the memory of

The way you hold your knife  
The way we dance till three  
The way you change my life  
No no they can't take that away from me  
No they can't take that away from me  
Yeah yeah yeah

We may never never meet again, on this bumpy road to love  
Still I'll always, always keep the memory of

The way you hold your knife  
The way we dance till three  
The way you change my life  
No no they can't take that away from me  
No they can't take that away from me  
No they can't take that away from me  
No they'll never never never never take that away from me  
No they can't take that away...
