## Rod Stewart, Time After Time

What good are words I say to you? They can't convey to you what's in my heart If you could hear instead The things I've left unsaid

Time after time I tell myself that I'm So lucky to be loving you

So lucky to be The one you run to see In the evening, when the day is through

I only know what I know The passing years will show You've kept my love so young, so new

And time after time You'll hear me say that I'm So lucky to be loving you

I only know what I know The passing years will show You've kept my love so young, so new

And time after time You'll hear me say that I'm So lucky to be loving you Lucky to be loving you
