

Roddy Ricch, Late At Night

Late at night
Kiss me in the morning
Late at night

Long as you come thru
Imma make you come over and over
Imma treat you like i am possessed to

You better never make
No time for these niggas
Cuz when i ride
Imma ride reide with you

I can't fuck with nobody
I can keep living liek this
i can't

i tell her wat it is and
i tell her wjat it ain't
she know taht i be all
in her walls like i paint
