

Roger Miller, Arkansas

I ain't never traveled much but someday when the money's such
I'd like to see the world and all and maybe go through Arkansas
Arkansas Arkansas I just love ole Arkansas

Love my ma love my pa but I just love ole Arkansas

[instrumental]

I'd like to get my picture took put it inside my memory book
And someday hang it on my wall to say that I'd seen Arkansas
Arkansas Arkansas...

[piano]

My Grandpa was always good I'd play horsey on his foot

He'd tell me when I'd get tall we'd both go see Arkansas

Arkansas Arkansas...

Arkansas Arkansas...

I just love ole Arkansas
