

ROLE MODEL, forever & more

by the end of the summer
she was a lover
I saw her ex and he's dressin like me
hair kinda messy like me
nobody gets it like me

We made it to winter
Naked at dinner
Standing on seats
Cuz teh playing our song
The waiters always taken too long
Or maybe we're staing too loong

I bet the boys back home are mad
I found an angel wearing plaid
you'll meet her soon

I've never felt like this before
can't pick myself up off the floor
that's something new
I'm stuck with you

For ever
For ever
For ever
Ever and more
