

# Rolling Stones, One More Try

(M. Jagger/K. Richards)

You need some money in a hurry  
But things ain't right  
You try to beg and borrow maybe start a fight  
Your friends don't wanna know you they just pass you by  
So they couldn't be your friends because they wouldn't lie  
Sit down shut up don't dare to cry  
Things will get better if you really try  
So don't ya panic don't ya panic  
Give it one more try  
Don't ya panic don't ya panic  
Give it one more try  
You gotta girl that doesn't bring you all she cries  
The day turns into night to try to satisfy  
You buy her all the things she want she don't improve  
You think you'd give her up if you could make that move  
Sit down shut up don't dare to cry  
Things will get better if you really try  
So don't ya panic don't ya panic  
Give it one more try  
Don't ya panic don't ya panic  
Give it one more try  
The things that don't matter easy come and go  
And the things that satisfy only come real slow  
You gotta know and watch it all in your mind  
Cause it's better when you get it if you really try  
Sit down shut up don't dare to cry  
Things will get better if you really try  
So don't ya panic don't ya panic  
Give it one more try  
Don't ya panic don't ya panic  
Give it one more try  
Keep on trying  
Keep on trying  
Keep on trying  
Keep on trying  
Keep on trying  
You gotta keep trying
