

Ronnie Milsap, Let

In the daily rush of things
If we stop to think it seems
We never have time alone

Doing things we have to do
Not much time for me and you
Before me know it, it will all be gone

Let's take the long way around the world
Sharing each other as we go
Let's take the long way around the world
And let's take it real slow

I get hungry just to talk
Take your hand and take a wake
I never have you to myself enough

The two of us are really one
And when it's all said and done
The only thing that really lasts is love

Let's take the long way around the world
Sharing each other as we go
Let's take the long way around the world
And let's take it real slow (Repeat twice to fade)
