

# Room 2012, Boston Station

Oh oh oh oh oh oh - ah ah (3x)  
I've been swimming in the sea  
I've been thinking 'bout the time  
A time we were togeth'  
You were always on my mind  
You and me (you and me)  
(Oh we) just you and me  
Something came around and you hating out of time  
I never realize you are living on the round  
(Are so so deep in my head)  
I'm sitting here in my room  
I'm standing at the half broken room  
(Oh tell me) Can you see it too  
Where dyou go  
Where dyou go  
I wanna get back to where we started  
out of the world of the broken harded  
If you come back I will be waiting  
I wanna get right back to Boston Station  
Back to the place where you left me waiting  
I wanna know - boy  
I need to know - boy  
Where did you go - boy  
Where did you go  
Ive been coming down the day  
Just waiting for your come  
Been driving through the night  
been climbing up the walls  
Hey Mr. Post Man  
Hey Mr. Post Man  
Is there you letter in your box from my baby?  
It doesn't really matter  
What it is what you saw  
Just come and get me back  
And we can take it on the run  
You and me (you and me)  
(Oh we) for you and me  
Oh oh oho oho oh oh Boston Station  
Oh oh oh where we started - ah ah
