

# Roxette, Dancing On The Night-Wire

Ooooooh---oooooohOoooooh---ooooooh  
Night trainNight train  
Taking us down  
To the heat  
To the beat  
In the deep of the night

Night train  
Running right on time  
Going down , down , down  
In the deep of the night

Ooooooooh--oooooooh  
Dancing on the night-wire  
Dancing on the night-wire□□Repeat

People meet  
Get wild in the street  
In the heat  
To the beat  
In the deep of the night

And that's the way  
We communicate  
Going down , down , down  
In the deep of the night

CHORUSCHORUS

Night train  
Taking us down  
Going round and around  
In the deep of the night

CHORUSCHORUS

Ooooooooh--oooooooh  
Crawling on the night-wire  
Crawling on the night-wire  
Ooooooooh--oooooooh  
Moving on the night-wire  
Moving on the night-wire  
Etc
