

# Roxette, "From Head To Toe" / Non-Album Tracks

I knew the minute I saw you  
I knew the minute I saw you  
That we , we were 2 of a kind  
And I knew , yeah , when I danced with you  
I've got in a miracle mine (?)

I keep my head up high  
I keep my head up high  
I keep my love alive  
Yeah yeah yeah

You go from head to toe  
This mystery has taken over me  
I know  
You make the true love shine  
You go from head to toe  
It's all emotions flowing over me  
I know  
You make the true love shine  
Eye to eye

Well I had a love that once blinded me  
But now it makes me wanna cry  
Well , her heart is soaked with such cruelty  
Her hello just sounds like goodbye  
But I keep my head up high  
I keep my love alive  
Yeah yeah yeah
