Roxette, Knockin' On Every Door

Hey now honey You got to face the floor You headed for the heart But you couldn't find the door, could you? Could you?

Well, I'm standing in the sun But I'm living in the rain I got to get a-whirlin' like a human hurricane over you Over you

Now you're looking like a fox on the run And you're faster than a shot from a gun I'm pointing at you, oh you Talking 'bout you, hey you

I thought we had love in store
You keep on knockin' on every door
Babe, I've seen it all before
You keep on knockin' on every door
Ain't no lovin' you ignore
You keep on knockin' on every door
Keep keep knock knockin' on every door
You keep on knockin' on every door

Hey now honey
Time is all you've spent
You moved into the bed
But you couldn't pay the rent, could you?
Could you?

In the twinkle of an eye You electrify I got to get a-shootin' like a rocket in the sky, bye bye Goodbye

Now you're burning like you're hot on the scene Don't you love to steal a part of my dream? I'm looking at you, oh you Talking 'bout you, yea you

I thought we had love in store
You keep on knockin' on every door
Babe, I've seen it all before
You keep on knockin' on every door
Ain't no lovin' you ignore
You keep on knockin' on every door
Keep keep knock knockin' on every door
You keep on knockin' on every door

I thought we used to have love in store You keep knock knockin' on every door Hey babe, don't run around here no more You keep on knockin' on every door Ain't no sugar you ignore You keep on knockin' on every door Keep keep knock knockin' on every door You keep on knockin' on every door

You'd better learn your lesson now...
