

# Roxette, Perfect Day

Breathe some faith into my chest  
Lay me down, I need the rest  
Ever since the sky turned grey  
I've waited for the perfect day

Hey now - it seems you've always  
Touched me like the sun

There's no escape for the broken-hearted  
There's no return once you've lost your way  
I say a prayer now our love's departed  
That you'll come back to stay  
And bring the perfect day

Blinded by a crazy light  
I fell into the darkest night  
Those magic ties  
The two of us  
I couldn't see it turn to dust

Hey now - it seems you've always  
Reached me like the sun

There's no escape for the broken-hearted  
There's no return once you've lost your way  
I say a prayer now your love's departed  
That you'll come back to stay  
Bring back the perfect day

Hey now - it seems you've always  
Reached me like the sun

There's no escape for the broken-hearted  
There's no return once you've lost your way  
I say a prayer now your love's departed  
That you'll come back to stay  
Bring back the perfect day
