

# Roxette, Piece Of Cake

i am busy doing nothing  
i am on my own  
there's hot water  
i can't find my comb

my jeans is smelling funny  
my records – they are tomb  
the zombie on the tv  
they won't leave me alone

but the air of the room  
make it safe and sound  
meeting you make it sunny  
all over this town

life is a piece of cake  
when you're coming around  
there's a church on the blank  
baby i wouldn't mind  
if the numbers on the clock  
know how to show me  
a good time

i am  
there's a disco on my own  
i am doing wrong  
beat is really steady

but the air of the room  
make it safe and sound  
meeting you make it sunny  
all over this town

life is a piece of cake  
when you're coming around  
there's a church on the blank  
baby i wouldn't mind  
if the numbers on the clock  
know how to show me  
a good time
