

# Roxette, Run To You

3:39

Words and music by Per Gessle

Baby, sometimes I feel like dying

Driving while I'm closing my eyes

Moving in and out of hiding

Trying to catch some truth in my life

Watching your stars and your moonlight

Come tumbling down from the sky

Take it now.

(CHORUS:)

I'm gonna run to you

I'm gonna come to you

I wanna find you

In everything that I do

I'm gonna run to you

I'm gonna count on you

I'm gonna follow

Baby, what else can I do?

Sunday morning my town is sleeping

Lying all alone in my bed

There's not a sound, I can't help but listening

Wishing I was somewhere else instead

But sometimes they are too hard to handle

Those voices inside my head

Listen now.

(CHORUS)

Take a walk inside my dream: A church, a lonely road

All the people come and go and come and go.

I'm gonna run to you

I'm gonna come to you

Do it now!

I'm gonna run to you

I'm gonna come to you

I'm gonna follow

(CHORUS)

I'm gonna run to you

I'm gonna come to you

Baby, what else can I do?
