

Roxette, Silver Blue

I got to get a message through,
I don't know where we're going.
I wrap my arms around your naked shoulders,
take cover for the night.
I see you in the morning rain,
oh step inside and lay beside me.
Tender can you close my eyes and blind me,
oh give me just a smile...

Before I fade to silver,
Silver Blue for you.
Before I fade to silver,
Silver Blue for you.

I've turned into The Broken One
who lost the inspiration.
I want to give you all my love like water
to a blood red rose.
The Passion - I can't deal with her.
The Pain - well, I can do without him.
And this is like the milky way, an ocean
that only grows and grows.

And babe I fade to silver,
Silver Blue for you.
I turn and fade to
silver, Silver Blue for you.

I wrap my arms around your naked shoulders,
take cover for the night.
