

# Roxette, The Big Love

She's the top, she's got the world on a string  
She makes me boogie, makes me do anything, yea yea  
Hey now, touch the sky  
You've got a certain kind of look in your eyes  
Well, she's a miracle, she's all that I need  
Like the water and the air that I breathe, yea yea  
Hey now, reach the sky  
There's a certain kind of look in your smile  
And I know what love can do  
Yes I know what hearts can do  
The big love is taking the wheel  
The big love goes head over heels  
The big lust, bring it into the small world  
The bigger, the better  
Big love, waiting to catch the big one  
Head over heels, the big one  
Bring it into the small world  
I'm building the big big love  
I'm building the big big love  
It's kinda strange, a bit mysterious  
I gotta take it oh so so serious, yea yea  
Hey now, touch the sky  
You've got a certain kind of look in your eyes  
It used to be so hard so lonely at night  
Well, she's my baby and I'm feeling alright  
Hey now, move the sky  
There's a certain kind of look in that smile  
When I'm making love with her  
When I'm making love to her, yea  
The big love is taking the wheel  
The big love goes head over heels  
The big lust, bring it into the small world  
The bigger, the better  
Big love, waiting to catch the big one  
Head over heels, the big one  
Bring it into the small world  
I'm building the big big love  
I'm building the big big love  
It has to be a big thing  
It's bringing me to my knees  
Has to be a big thing  
Big thing  
Ya know what I'm saying...
