

# Roxette, The Center Of The Heart

What am I gonna do when I get a little excited  
a little in vain? Tell me  
What am I gonna say when I find the center of the heart  
is the suburb to the brain?  
You wear them so well, those innocent eyes  
You're putting on a wonderful disguise  
I want you so bad, I'm pushing my luck  
It feels like beeing hit by a truck  
This is no place special, don't know why I came  
If someone has a minute, won't you explain?  
What am I gonna do when I get a little excited  
a little in vain? Tell me  
What am I gonna say when I find the center of my heart  
is the suburb to the brain?  
Singing na na na na na na  
Na na na na na na  
Beeing with you, dealing with fire  
Oh, won't you come around come out and play  
I want you so bad, answer my calls  
Let's spend the night within these walls  
This is no place special  
Nothing for the same (nothing for the same)  
If someone's got a minute, do please explain!  
What am I gonna do when I get a little excited  
a little in vain? Tell me  
What am I gonna say when I find the center of my heart  
is the suburb to the brain?  
Singing na na na na na na  
Na na na na na na  
What am I gonna do when I get a little excited  
a little in vain? Tell me...  
What am I gonna do when I get a little excited  
a little in vain? Tell me  
What am I gonna say when I find the center of my heart  
is the suburb to the brain?  
Singing na na na na na na  
Na na na na na na  
What am I gonna do now?  
What am I gonna do when I get a little excited  
a little in vain?  
The center of my heart... yeah, yeah, yeah!  
What am I gonna say when I find the center of my heart  
is the suburb to the brain?  
Na na na na na na  
What am I gonna do now?  
What am I gonna say when I find the center of my heart  
is the suburb to the brain?
