

Roxette, The Sweet Hello The Sas Goodbye

Red like fire was the day I met you
I tell you now, there are no regrets
In this room there are many memories
Some are good, some I try to forget
I thought we were the chosen ones,
who were supposed to fly
We're very much the same, you and I
The sweet hello, the sad goodbye
Still waiting to get hurt, time after time
The sweet hello, the sad goodbye
When love lies in our hands, we seem to run and hide
And I can't help but wonder why
The sweet hello, the sad goodbye
My heart was like a runaway train, babe
I don't believe I've ever felt more alive
In this room I hear voices linger
We never talked about the price
You know you're not the only one,
who knows how to cry
We're very much the same, you and I
The sweet hello, the sad goodbye
Still waiting to get hurt, time after time
The sweet hello, the sad goodbye
When love lies in our hands, we run away and hide
And I can't help but wonder why
The sweet hello, the sad goodbye
The sweet hello, the sad goodbye
We're very much the same, you and I
The sweet hello, the sad goodbye
Still waiting to get hurt, time after time
The sweet hello, the sad goodbye
When love lies in our hands, we run away and hide
And I can't help but wonder why
The sweet hello, the sad goodbye
Goodbye
The sweet hello, the sad goodbye
The sweet hello, the sad goodbye
The sweet hello, the sad goodbye
