Roxette, Turn To Me

Turn to me - when your heart breaks away Turn to me - don't turn me away When everything's sad and down When you're looking for somewhere to run Why don't you turn to me? Turn to me Why don't you turn to me? Turn to me Turn to me - when the moon gets to go Turn to me - when the story's been told When everything's dim and grey And you're hitting a rainbow way Why don't you turn to me? Turn to me Why don't you turn to me? Turn to me Now that Christmas is here A shadow of fears And if you want to seek Turn to me and read these lonely lonely eyes Why don't you?

Why don't you turn to me?

Turn to me!
