

Roxie (Roksana Węgiel), Lay Low

Boy you got a hold on me
Gotta say, gotta say it out loud
Novacaning on my brain
Though I like it
Yeah I like it, I like it, I like it

I ain't never been here before
So used to boys, always chasing me down
Shooting straight for ya
Yeah you like it
Yeah you like it, you like it, you like it

Oh ohh
We can run with the shadows
Ohhh oh
Won't be cold in the shallows
Wanna lay low lay low lay low

When your body knows
Yea your body knows
Yeah you do (wanna wana put it on you)
Yeah you do (wanna wana put it on you)

You got me exposed
Yeah you got me exposed
Yeah you do (wanna wana put it on you)
Yeah you do (wanna wana put it on you)

And let's lay low and do it over

Boy you got me up until morning
Thinking bout ya it's messing me round
You're a feen in my veins
Though I like it
Yeah I like it I like it I like it

Yeah you got me tripping up on ya
Will you stand, will you ever stand still?
Let me scream out your name
Yeah you like it
Yeah you like it you like it you like it

Oh ohh
We can run with the shadows
Ohhh oh
Won't be cold in the shallows
Wanna lay low lay low lay low

When your body knows
Yea your body knows
Yeah you do (wanna wana put it on you)
Yeah you do (wanna wana put it on you)

You got me exposed
Yeah you got me exposed
Yeah you do (wanna wana put it on you)
Yeah you do (wanna wana put it on you)

And let's lay low and do it over
